OPPORTUNITIES UNLIMITED

In today's Coast Guard, job and career opportunities for men and women between the ages of 17 and 27 are unlimited.

THE ENLISTED OPTION

If you want to learn a skill—many of which are in hi-tech fields—there are over two dozen job specialties available, including electronics, aviation machinist and marine sciences. Saving lives, protecting the environment and stopping illegal drug activities, are only a few of the many Coast Guard missions you may perform. You can advance quickly because promotions are based upon your own initiative and skills.

THE RESERVE OPTION

Even if you're still in high school or college, there are several options to consider. As a Coast Guard Reservist, you can attend drills one weekend per month and be paid while you are being trained. You'll also qualify for the Reserve GI Bill and receive monthly checks to help with college expenses.

THE OFFICER OPTION

To wear the gold bars of an officer, there are several career paths to follow. One is to enter the Coast Guard Academy in New London, Connecticut. You'll earn a four-year, expense-paid Bachelor of Science degree. Or, if you're a college graduate, you can enter our Officers Candidate School at Yorktown, Virginia. Here you'll complete an intensive 17-week leadership training school. Either path leads to a commission as an Ensign.

BENEFITS OF BELONGING

Regardless of the career option you choose in the Coast Guard, you'll get all the benefits . . . 30 days paid leave each year . . . free medical and dental service . . . reduced prices in any military exchange . . . the GI bill for tuition assistance, and much more. You could work in exciting places where the Coast Guard operates . . . from Japan to the Antarctic . . . Hawaii or in the continental United States. We have part-time Reserve positions and full-time career opportunities available now. Contact your local recruiter or call toll-free:

HELPFUL HINTS

1. Always keep your receipts to help resolve potential errors.
2. Be aware of deadline dates (ex. add/drop period, course withdrawal, pass/fail, and pre-registration). The semester calendar is on this page. Failure to comply with appropriate deadlines can result in severe academic or administrative penalties.
3. Drop or withdraw from courses by appropriate deadlines. If you are registered for the course, you are responsible for dropping or withdrawing from it whether you attended the class or not.
4. Expect a schedule confirmation of courses for which you registered about three weeks into the semester. If you don't receive one, check with the Wheatley Registration Center.
5. Expect a bill for the amount of credits for which you registered. Review the bill carefully. Make sure you are billed for the appropriate number of credits. If you don't receive a bill check with the Bursar's Office.
6. Keep your address up to date in the Office of the Registrar. This is our best means of communication.
7. Keep your schedule books and/or schedule cards. You will need them for Final Exam room assignments.

HOW TO REGISTER

The period from Monday, May 2–May 6, 1988 has been set aside for registration for Fall 1988.
Please read the following instructions carefully so that you will understand how to register for next semester.

Where To Obtain Your Registration Forms

1. CAS declared majors at major departments.
2. CAS undeclared majors will have forms mailed with instructions.
3. CPCS registration materials can be picked up at Enrollment Services, 1st floor Park Square.
4. Management majors at McCormack Hall, 3rd floor, Room 415.
5. Nursing majors at Science Building, 3rd floor, Room 012.
6. Physical Education majors at Science Building, 3rd floor, Room 268.
7. Education majors at Science Building, 3rd floor, Room 216.

FORMS MUST BE RETURNED TO THE APPROPRIATE OFFICE BY MAY 6, 1988.

- CPCS students should return their forms to the Office of Enrollment Services, 1st floor Park Square.
- Continuing students who do not submit registration forms by May 6, 1988 will be assessed a $25 late registration fee.

Registration Forms

1. Each student is given a form on which to register. This form allows the option of registering for nine courses or seven courses with two alternates.
2. **Free Time Exempt Form** — These forms are used so that students may indicate particular hours during which they do not wish classes to be scheduled. To insure that the information can be interpreted, it is essential that a #2 pencil be used to fill in the slots corresponding to the times and days of the week during which you do not want classes scheduled.
   Use of these forms do not enhance your chances of receiving a section that you request, they could in fact limit your ability to obtain a course because you will not be assigned to sections that meet at hours from which you have exempted yourself. Use of these forms could limit your chances of receiving a full schedule.
3. The registration form and time exemption form are read by machine. This means the markings must be completed carefully, i.e., no erasures, stray marks, folds, etc. A #2 pencil must be used.

Semester Schedule Booklets

The schedule booklet is the list of courses that will be offered in the Fall '88 semester. Your program for the next semester should be chosen from this booklet, along with the course addenda which is a list of changes made to the semester booklet (added sections, cancelled courses, etc.). Please do not select courses from the schedule booklet without checking the addendum as changes may have been made.

The University course listing is a complete listing of courses offered with descriptions. University requirements are also listed in this book.

STUDENTS WHO OWE FOR A PREVIOUS SEMESTER WILL NOT BE ALLOWED TO REGISTER FOR FUTURE COURSES.

AFTER PAYING STUDENTS MUST APPLY FOR READMISSION. IF NOT PAID BY DEADLINE, STUDENTS MUST WAIT UNTIL SPRING 1989 FOR READMISSION.

HOW TO FILL OUT YOUR REGISTRATION FORMS

1. Be sure that all numbers are penciled neatly and completely. Double check to see that entries are accurate. If a number is incorrect or illegible or not blocked in totally, the entire transaction will be invalidated.
2. Use the 6 digit schedule number assigned to the specific section of the specific time you wish to take the course (see example 1 below).

DEPT.	COURSE SECTION	SCHEDULE NUMBER	TITLE MEETING TIMES	BLDG. FLR. RM.	CR	INSTRUCTOR
P—H—I—L—O—S—O—P—H—Y						EXAMPLE 1

	7	146343	MWF 10:30	1-1-054	ANDIC	

3. When registering for a course with 2 or more parts (lec., lab) be sure to include all parts or you will arbitrarily be assigned the missing portions (see example 2 below).

4. **Alternate Choice** — Some choices are listed with the notation "Alternate choice advised". This is used for courses which in the past have been consistently overenrolled. This does not mean you cannot request one of these courses, only that you would be well advised to consider making an alternate choice along with this request. It would also be helpful to use the 2 alternate choices whether or not it is specifically advised as their use enhances a student's possibility of obtaining courses. Alternates must be a different course — not a different section of the same course. For example: Alternate 1 will be considered only if course request 1 cannot be scheduled. Similarly, alternate 2 will be considered only if course request 2 cannot be scheduled. Alternates are not transferable from one choice to another.

IMPORTANT REGISTRATION INFORMATION

Submission of a registration form and acceptance into a course(s) incurs a financial obligation for that course(s).

Your obligation can only be removed if you withdrew from the University prior to the start of the semester.

Your tuition and fees will be reduced if you:

1) Reduce your course load during the Add/Drop period or
2) Completely withdrew from the University prior the sixth week of the semester.

You are financially responsible for any registered course(s) remaining on your schedule as of the end of the Add/Drop period, even though you:

1) Completely withdrew from the University after the sixth week of classes or
2) Reduce your course load after the Add/Drop period or
3) Receive a grade of "NA" (see below)

Failure to attend classes does not constitute a withdrawal. A withdrawal is an administrative procedure, and a withdrawal form must be completed by the student and submitted to the Office of Registration and Records. If you have not dropped a course by the Add/Drop deadline, not only will you be liable for the tuition but you will also receive one of three grades. One, the grade of NA (not attending) will be given if your instructor takes attendance and submits the grade of NA to the Office of Registration and Records. Two, if the instructor does not submit an NA list and you do not drop or withdraw from the course you will receive the grade of F. Three, the grade of W if you submit the appropriate course withdrawal form to the Office of Registration and Records by the published deadline.

DO NOT WRITE BELOW THIS LINE

INSTRUCTIONS

Using #2 pencil, fill in one block, (minimum) for each COURSE or Specific SECTION. Up to three blocks may be needed if specific sections of a course with lecture, lab and/or discussion portions are stipulated. Confine marks to designated positions. Do not overlap marked positions.

Blocks eight and nine may be used where the Schedule Booklet indicated "alternate choice advised" because of frequent over-subscription. Otherwise, regular choices can be entered in eight and nine.

If one of these forms cannot describe the particular configuration of your course choices, a second form with additional information may be filed.

Carry completed form to the Appropriate Office.

EXAMPLE OF A COMPLETED TIME EXEMPTION FORM

Please note that Mr. Hawkins does not want to be scheduled into any classes after 4:00 p.m. Monday thru Friday if the sections that she initially requested are filled. If you want to insure that you are not assigned times for courses that you will not accept, please take care in filling out the forms correctly.

GENERAL INFORMATION

The N/A grade may be placed on a student's transcript if the student has registered for a course, and did not attend the course during the Add/Drop period, and failed to drop the course by the published Add/Drop deadline. The N/A grade does not affect a student's grade average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

Late Fees: $25.00 charge for all students with a late registration determined by the registrar and/or late bill payment of bill clearance.

Cancellation and Refund of Tuition and Fees

Submission of a registration form and acceptance into the course incurs a financial obligation for that course except as follows: A student who completely withdraws from the university before the sixth week of the semester will be granted a percentage refund of tuition and some fees based on refund schedule. (Failure to attend does not constitute a withdrawal). A withdrawal form must be completed by the student. A student who submits a withdrawal form, prior to the start of the semester at the university, will be given a full refund of tuition and fees. After the add/drop period no refund will be given for course load reductions. Students withdrawing completely from the university during the first five weeks of a semester and receiving grades of "W" for all courses will receive partial refunds. After five weeks no other refunds will be issued if any grades including "W", "NA", or Inc. are awarded.

Schedules must be approved by a CAS Advisor. ALL FORMS MUST BE SUBMITTED BY 4:00 p.m., MAY 6.

COLLEGE OF MANAGEMENT (CM)
FALL 1988

Registration Procedures and Information

Registration forms for all College of Management students will be available in the CM Office of Student Services (020/3/415) from 8:30 a.m. to 7 p.m., Monday through Thursday and from 8:30 a.m. to 5 p.m. on Friday during Advance Registration, May 2–6, 1988. Completed registration forms must be returned to the Office of the Registrar by 5:00 p.m. on Friday, May 6.

A full-time registration for CM students is a maximum of five courses. Registration for more than 15 credits requires written permission of the CM Assistant Dean for Student Services. Normally such permission is given only when a student's cumulative grade point average is 3.0 or above.

Advising

College advisors, as well as peer advisors, will be available in the CM Office of Student Services during the hours listed above to assist CM students with course selection:

Students who have successfully completed a minimum of 60 credits and who have declared a concentration are encouraged to make an appointment to see their faculty advisors. Faculty advisor assignments are posted in the CM Student Services area each semester. All CM students should also see a college advisor in the Office of Student Services several times during their college career to officially update their program plan.

Course Selection

Degree requirements are available in the CM Office of Student Services. Students in the College of Management are expected to complete general education requirements as well as other 100 and 200 level required course work during the first two years of study. All 300 and 400 level CM courses, including Management Core and Concentration requirements, may only be taken after the student attains junior (earned 60 credits) or senior (earned 90 credits) standing.

Incomplete Courses

Students who have received an incomplete grade in a course through a prior arrangement with an instructor must go to the original instructor, or in his/her absence to the Department Chair, to make arrangements to complete the course. **Do not reregister for the course.**

Pass/Fail Regulations

Students in the College of Management may only take elective courses on a pass/fail basis. Required courses in general education, the management foundation, management core and concentration may not be taken pass/fail.

Non-Management Students in CM Courses

Non-management students may only register for AF 210, Financial Accounting, and AF 211, Managerial Accounting. With very few exceptions, which require prior written approval from the CM Office of Student Services, registration in all other College of Management courses is closed to non-management students. Exceptions to enroll in a particular course(s) require a written request to the CM Office of Student Services accompanied by official transcripts of all prior college level coursework.

PHYSICAL EDUCATION
SPRING 1988

Registration Procedures and Information

Registration forms for all Physical Education majors will be available in the Physical Education office (Science Building, 3rd floor) from 8:30 a.m. to 4:30 p.m., Monday through Friday during Advance Registration, May 2–6, 1988.

Advising

Faculty will be available in the Physical Education office to assist students with course selection during Advance Registration. It is advisable to call and make an appointment with a faculty member (929-8598).

Students who have completed a semester and have declared a concentration in Physical Education should make an appointment to see their faculty advisor. Faculty advisor assignments may be obtained from the secretary.

All Physical Education majors must fill out a major registration card each semester. Each faculty advisor will have these cards or they may be picked up in the secretary's office. Please check to see that your name is on the department list of registered majors.

Course Selection

Degree requirements are available in the Physical Education office. Physical Education majors are expected to complete the core curriculum as set forth by the College of Arts and Sciences and are required to demonstrate proficiency in writing as outlined by the College of Arts and Sciences. Further information about the Writing Proficiency Requirement can be obtained from CAS Academic Support Services, M/3/625.

Skill development courses may be listed in the schedule booklet as starting the first or second seven weeks. Courses starting the second seven weeks will commence the week of October 24, 1988.

Declared Majors

Registration forms will be available within major departments and must be returned to the Office of Registration and Records by 5:00 p.m. on Friday, May 6th.

EARLY CHILDHOOD EDUCATION
ELEMENTARY EDUCATION
SECONDARY EDUCATION

(Institute for Learning and Teaching)
Fall 1988

Registration Procedure and Information

Registration forms for all Elementary/Early Childhood Majors and continuing Special Students in the Elementary and Secondary Certification Programs will be available from Hannah Gilman in the Office of Student Services ILT (Science Building, 3rd Floor), from 8:45 a.m. to 5:30 p.m. from May 2–May 6 (to 4:00 p.m. only on Friday, May 6).

Any student wishing to register for Elementary Education or Secondary Education courses for the Fall, 1988 semester **MUST have the Registration Form signed by Hannah Gilman.**

Course Selection and Advising

Hannah Gilman will be available to assist students with course selection between 8:45 a.m. and 5:30 p.m. (to 4:00 on Friday) during the week of Advanced Registration.

Elementary/Early Childhood Education majors are required to complete the Core Requirements as set forth by the College of Arts and Sciences, and to pass the Writing Proficiency Exam.

Pass/Fail Regulation

Elementary Education and Secondary Education courses may NOT be taken on a Pass/Fail basis.

SCHOOL OF NURSING

Registration forms for the School of Nursing students will be available in the School of Nursing Offices (Science Building, 2nd Floor) from 8:30 a.m.-7:00 p.m., Monday through Thursday, and from 8:30 a.m.-5:00 p.m. on Friday, during Advance Registration, May 2 through May 6, 1988. Completed registration forms must be returned to the Office of Registration and Records by 5:00 p.m. on Friday, May 6.

Each School of Nursing student must meet with his/her advisor during The Advance Registration Period to select courses and update records. Students' names and their advisors will be posted at the School of Nursing office.

SENIORS

All seniors must declare their intent to graduate by submitting a Declaration Graduation Form to the Office of the Registrar.

Deadline dates for submitting graduation declaration form:

For May 1988 (was) ..... December 4, 1987
For September 1988 ..... July 1, 1988
For December 1988 ..... August 1, 1988
For May 1989 ..... December 2, 1988

Records of students whose filings do not meet the above deadlines will be reviewed **after** those who do, and such students may **not** be listed in the commencement program and/or may experience other delays

If a student does not complete all requirements by the declared graduation date, then it is the student's responsibility to submit an updated declaration form to the Office of the Registrar to be considered for a new graduation date.

COLLEGE OF ARTS AND SCIENCES GRADUATION REQUIREMENTS

The Undergraduate curriculum in the College of Arts and Sciences is divided into three parts: preparation in general education, a major field of study, and electives to complement the breadth and depth of a liberal education. To assure that all students who are graduated from the College of Arts and Sciences have completed a rigorous and coherent course of study, the college has established a series of seven requirements for the Bachelor of Arts (BA) degree. Students in certain fields may receive a Bachelor of Science (BS) degree by completing an eighth requirement.

1. Freshman Writing Requirement

CAS students must take a year of Freshman Composition (English 101 and English 102) or gain a waiver. Freshman Composition teaches the fundamentals of expository writing and the presentation of research. Expository writing skills are necessary for term papers and written presentation of ideas in all CAS disciplines. Students who place into English 010 on the English Placement Test must complete the composition sequence Eng 010, Eng 101, Eng 102.

2. The Core Course Requirement (C Courses)

CAS students must take five C Core courses; three at the 100 level and two at the 200 level. These course are designated by a "C" in the course number (e.g., Philosophy C108) and are often referred to as "C" courses. These required "C" courses are counted as five of the twelve course in the distribution requirement (see next paragraph). Core Course are specially designed to introduce students to broad conceptions of knowledge and the skills of writing, critical thinking and computation that are necessary for understanding them. They are introductory in character, but not designed as preparation for a specific discipline or as the basic course in a departmental major. "C" courses are limited in enrollment in order to provide more intense instruction in academic skills. Because offering these limited-enrollment classes places heavy demands on scarce faculty resources, **NO MORE THAN FIVE "C" COURSES MAY BE COUNTED TOWARD THE DISTRIBUTION REQUIREMENT OR TOWARD GRADUATION.**

3. The Distribution Requirement

To assure that they develop a broad familiarity with the range of human knowledge, CAS students are required to take a total of 12 courses distributed among seven broadly defined areas. These areas are: The Arts, Historical and Cultural Studies, Philosophical and Humanistic Studies, Social and Behavioral Studies, Natural Sciences, Mathematics and Computer Languages, and Foreign Languages. (See the accompanying descriptions of the seven areas of study).

100-level and 200-level courses that satisfy the distribution requirement contribute to general education through their breadth in one of the following ways: they survey a discipline or an important area within a discipline, they offer an interdisciplinary approach to their subject matter, or they use a relatively narrowly defined topic to investigate major themes in an area of study.

CAS students must take 12 courses distributed in six or seven of the seven areas. Five of these 12 courses must be taken from among the 100-level and 200-level C courses and seven from courses that are assigned to areas of study. As many as 3 courses may be taken in any one area; otherwise no more than 2 per area.

4. The Writing Proficiency Requirements

Both the overall design of the Core Curriculum and the materials and methods of individual core C courses assist students in acquiring critical skills. Foremost among these is the ability to present ideas clearly, correctly and persuasively in English prose. For this reason, the College requires students to demonstrate proficiency in writing by either passing a proficiency examination or submitting a satisfactory portfolio of papers before the beginning of the junior year. This requirement holds for all students who entered CAS as freshmen in September, 1978, or thereafter,and for transfer students who entered CAS in January, 1979, or thereafter. Students absent from the College for two or more years and readmitted since Spring, 1985, must also pass the requirement prior to the junior year or before their second semester of full-time enrollment. Further information about the Writing Proficiency requirement is available in the College's Office of Academic Support and Advising.

The Writing Proficiency Examination: The examination is given three times a year. Dates are posted in the Office of Academic Support and Advising (M/3/625) and in the Mass Media. The next exams are scheduled for January 4, and June 6, 1988. A student should sign up one month in advance of the scheduled date in order to prepare the assigned materials, which should be picked up when the student signs up for the exam. In order to

pass the examination, the student must write an acceptable essay based on a set of readings and a question designed to elicit evidence of thorough understanding of the readings, as well as the ability to synthesize material, draw inferences, and construct a well-organized response in good English.

NOTE that the Writing Proficiency Examination IS NOT THE SAME as THE ENGLISH PLACEMENT TEST, which all students take upon entrance to the College.

The Portfolio: The portfolio is an alternative method of demonstrating writing proficiency. It may be submitted at any of the scheduled exam times and in October. It consists of four papers, each at least five typewritten pages in length. Three of these are expository papers, written for courses, and based on reading materials. The instructor's assignment and verification of originality must be included for each of the three course papers. The fourth essay is a new one, written on a topic and series of readings distributed by the Office of Academic Support and Advising.

Failure to take/pass the examination/portfolio: Students who have not satisfied the writing proficiency requirement by the time they have accumulated 68 credits must take AS 044, a critical reading and writing course designed to help students pass the requirement. Students with 68-69 credits must have their schedules approved by the Director of the Writing Proficiency Program. Student with 90 or more credits who have not taken/passed the examination/portfolio are suspended until they have completed the requirement.

5. The Total Credit Requirement

CAS students must acquire a total of 120 credits to graduate. A maximum of 4 of the 120 credits may be earned in Academic Skills courses. Credits earned in ESL courses, other than ESL 100D, do not count toward graduation. At least 30 of the 120 credits required for graduation must be earned from the University of Massachusetts-Boston.

6. The Major Requirement

CAS students must complete the requirements of one of the majors offered by the college. Major requirements are listed by department in the University Bulletin. Students also have the option of designing an individual major under the supervision of a faculty member. Information on the individual Major is available from academic Support and Advising.

7. The Grade Point Average Requirement

Students must achieve a minimum cumulative grade point average of at least 2.0 in order to graduate. Students who do not maintain the minimum cumulative average required to retention are subject to warning, probation, suspension, or dismissal. See the University Bulletin for details. Some major programs also require that students maintain a cumulative average of 2.0 in course taken toward the major. Consult major departments for more information.

8. The Bachelor of Science Requirements (optional)

CAS students majoring in biology, chemistry, earth science, mathematics and computer science, physics or psychology have the option of earning a Bachelor of Science degree. To qualify for a BS degree a student must, in addition to fulfilling the seven preceding requirements, complete six semester courses outside the major discipline from other sciences. Specific BS degree requirements for each major are listed in the University Bulletin under the major department.

WAIVERS

The Freshman Writing Requirement may be waived. Students should inquire at the Department of English.

Students who present evidence through placement scores or transcripts of intermediate proficiency (equivalent to the fourth semester of college work) in a foreign language will receive a waiver for two Foreign Language courses toward the distribution requirement. Native speakers of languages other than English are encouraged to apply for this waiver. Students granted a waiver in a Foreign Language need take only ten courses toward the distribution requirement.

Students who present evidence through placement scores or transcripts of work in Mathematics equivalent to college calculus (Math 141) will receive a waiver for two Mathematics courses toward the distribution requirement. Student granted a waiver in Mathematics need take only 10 courses toward the distribution requirement.

There are no waivers for the Writing Proficiency Requirement.

TRANSFER STUDENTS

Approved courses from other institutions offered by transfer students will be accepted for the core course and distribution requirements as well as for the total credit requirement. If fewer than 12 courses are accepted toward the distribution requirement at the time of transfer, -the student must complete the remainder of the requirement within CAS. Qualifying transfer courses are first counted toward the five "C" course requirement wherever possible. As a result, some transfer students may bring in five "C" courses through transfer credit and therefore have no opportunity to take "C" courses in CAS. In order to permit transfer students to take some "C" courses, the college has adopted the following policy.

(1) Students entering with 0-30 credits **may** take up to 5 "C" courses regardless of the designation of the course work transferred to UMB

(2) For students entering with 31-45 credits and at least three qualifying transfer courses, the first three qualifying transfer courses must be used toward the "C" course requirement; such students therefore have the option of taking up to two "C" courses at UMB, regardless of the designation of the courses transferred.

(3) For students entering with 46-60 credits and at least four qualifying transfer courses, the first four qualifying transfer courses must be used toward the "C" course requirement; such students therefore have the option of taking one "C" course at UMB, regardless of the designation of the courses transferred.

(4) For students entering with 61 or more credits and at least five qualifying transfer courses, the first five qualifying transfer courses must be used toward the "C" course requirement; such students may therefore not take any "C" courses at UMB. If conflicts with majors requirements arise, appropriate waivers may be granted by department chairpersons.

The Relationship of the Present Requirements to Previous Core Curriculum Requirements

With only two exceptions (noted just below), the above graduation requirements apply to all CAS students. In particular, the present core course and distribution requirements replace the two sets of "core curriculum requirements" that were in effect between the fall of 1979 and the spring of 1988. The present core course and distribution requirements have been designed so that any student who fulfills (or has fulfilled) the previously-applicable core curriculum requirements will also have fulfilled the present requirements. All CAS students may use any 100-level or 200-level course that has been assigned to one of the seven areas toward meeting the distribution requirement; these may include courses whose numbers contain a prefix of "C", "D", or "E", as well as courses whose numbers contain no such prefix. For example, a student who took Economics 208 in 1983 may count this course toward meeting the distribution requirement, even though it did not qualify under the previous core curriculum requirements and was not assigned to one of the core areas (social and behavioral sciences) until 1988.

There are only **two exceptions** to the universal applicability of the new rules. First, students who entered CAS between Fall 1979 and Spring 1985 are not subject to the five course limit on the number of "C" courses that may be used to satisfy the distribution or total credit requirements, as long as any "C" courses above the five course limit are not taken after the 1988 Spring Term. Second, students who entered CAS before Fall 1979, and who have never had an absence of more than two years, may choose to fulfill the core curriculum requirements in effect at the time that they entered the college; such students should contact the Office of Academic Support and Advising for more information.

AREAS OF STUDY

I. **The Arts** approach the world through an awareness and use of forms of creative expression such as music, drama, literature, natural sciences, paintings, sculpture and architecture.
II. **Historical and Cultural Studies** concern the reconstruction and interpretation of the human past and seek to understand both literate and non-literate cultures.
III. **Philosophical and Humanistic Studies** focus on the analysis of concepts and values, social, ethical, religious, and cognitive, and interpret the world through the critical application of such concepts and values to experience.
IV. **Social and Behavioral Sciences** such as anthropology, economics, psychology, politics, and sociology 197 analyze the world in terms of structures and processes of behavior, of social interaction, and of institutions.
V. **Natural Sciences** seek an experimental understanding and application of the laws that explain natural phenomena and approach the human world through a study of its natural elements, structures, and processes.
VI. **Mathematics and Computer Languages** exhibit self-enclosed symbolic systems whose analytic pleasure and practical uses extend our sense of the nature and processes of human thought and the manageability of reality.
VII. **Foreign Languages** provide an understanding of human thought, feeling and culture through a study of the structures, meaning, functions, and development of speech; the study of a language not one's own improves mastery of one's own language and contributes eventually to the understanding of another culture.

COLLEGE OF ARTS AND SCIENCES COURSE LOAD POLICY

Students may enroll for no more that FIVE (5) courses. After the first semester, however, students may take ONE (1) additional course under the following conditions:

(A) The student's overall grade point average is 3.0 (or above) or the grade point average for the previous full-time semester is 3.5 (or above).

AND

(B) Written permission is secured from the Associate/Assistant Dean for Academic Studies.

INCOMPLETE POLICY

The grade incomplete (INC) is reported only where a portion assigned of required class work, or the final examination, has been completed because of serious illness, extreme personal circumstances, or scholarly reasons at the request of the instructor. If the student's record is such that s/he would fail the course regardless of the missing work s/he falls.

Permission of the instructor must be obtained and the **Form for Grade Incomplete** must be completed. These forms can be obtained from the appropriate Departmental offices.

A student receiving the grade of "incomplete" is allowed one year in which to complete the course. The new grade must be submitted to the Registrar's Office by the grading deadline for that semester, i.e., by the end of the **next fall** semester for spring incompletes. The grade for any course will be converted to the grade of "F" and the course cannot be completed.

N/A GRADE

The N/A grade may be placed on a student's transcript if the student has:
registered for a course, and
did not attend the course during the Add/Drop period, and
failed to drop the course by the published Add/Drop deadline.

The N/A grade does not affect a student's grade point average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition in which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

CLASS ATTENDANCE

Students whose names appear on a course roster may be asked to drop the course or be added to the end of the waiting list at the end of the second class session if they have not attended either class or have not communicated their intention of attending the class to the instructor or the department chair in writing. In the case of a class that meets only once a week, failure to attend or to communicate the intention to attend either to the instructor or department chair by the beginning of the second meeting will result in the same action

MANAGEMENT MINOR FOR CAS STUDENTS

The College sponsors a minor in management in collaboration with the College of Management. Prerequisites include Econ 101, Econ 102, Math 110, Statistics, the completion of 45 credits, a grade point average of at least 2.75 and completion of prerequisite site courses with a B- or better. More information and application forms are available in the CAS Office of Academic Support and Advising. Application Deadline for Fall '88: June 1, 1988.

CORE WORKSHEET

* You must complete a total of 12 core courses.
* The twelve courses must include: Three C100 level courses and only three
  Two C200 level courses and only two
  7 other courses at the 100 or 200 level
* Core C courses are identified by the letter C, in front of the course number. All other 100 and 200 level courses count in the remaining Core distribution, except courses designated Z (Non-Core).
* You must distribute core courses among six or seven areas. The numerical pattern of the distribution will resemble one of the following, although not necessarily in that order.

Seven Area Selection	Six Area Selection
2 2 2 2 2 1 1	2 2 2 2 2 2
3 2 2 2 1 1 1	3 2 2 2 2 1

YOU MAY COUNT A MAXIMUM OF 3 COURSES IN ONE AREA TOWARDS THE CORE

* Foreign Languages - two semesters of a single foreign language if you begin with 101.
* Students generally complete the core during their freshman and sophomore years.

Notes on the Core Curriculum, Fall 1988

1. The CAS Core is a 12 course distribution requirement involving 7 areas of study.

2. 5 of the 12 courses must be "C" courses (e.g. Phil C108)
   3 must be C100 level
   2 must be C200 level.

3. No more than 5 "C" courses count for graduation credit.

4. "C" courses are offered only in the Arts, Historical and Cultural Studies, Philosophical and Humanistic Studies, Social and Behavioral Studies.

5. Nearly all 100 and 200 level courses of 3 or more credits may be used to fill the rest of the distribution pattern. Those which do not are designated "Z" (e.g. Theatre Arts Z123).

Examine your transcript; you may already have completed the Core.

Key to the Distribution of Courses:

A = Arts (formerly area 6)
H = Historical/Cultural Studies (formerly area A)
P = Philosophical/Humanistic Studies (formerly area B)
S = Social/Behavioral Studies (formerly area C)
N = Natural Sciences (formerly area D)
M = Math/Computer Language (formerly area E)
F = Foreign Language
Z = No Area

Now it's easy for undergraduates to apply themselves.

Sometimes it seems that seniors and grad students get a lot of special treatment. Like getting the American Express® Card pretty much hassle-free. Sure, they've proven themselves. But you have too, or you wouldn't be reading this today. So we're making some changes. Starting now, we're making it easier than ever for you to become a Cardmember through our Undergraduate Automatic Approval Offer.

The requirements are as simple as they get: just be enrolled full time in a four-year college and have some form of income—be it from a job, a grant, or from your folks. You don't even need a credit history, but if you have one, it must be clean.

How's that for hassle-free! Of course, once you have the American Express Card, it gets even better. You can use it to buy everything from sweats to stereos, everywhere from campus to Cameroon. And those are just the basics. As a Cardmember, you'll be entitled to a world of benefits you can rely on.

So look into our new automatic approval offer. Call 1-800-THE-CARD and ask for a student application. Or just pick up an application on campus and study it. You'll find you're bound to pass.

OPPORTUNITIES UNLIMITED

In today's Coast Guard, job and career opportunities for men and women between the ages of 17 and 27 are unlimited.

THE ENLISTED OPTION

If you want to learn a skill—many of which are in hi-tech fields—there are over two dozen job specialties available, including electronics, aviation machinist and marine sciences. Saving lives, protecting the environment and stopping illegal drug activities, are only a few of the many Coast Guard missions you may perform. You can advance quickly because promotions are based upon your own initiative and skills.

THE RESERVE OPTION

Even if you're still in high school or college, there are several options to consider. As a Coast Guard Reservist, you can attend drills one weekend per month and be paid while you are being trained. You'll also qualify for the New Reserve GI Bill and receive monthly checks to help with college expenses.

THE OFFICER OPTION

To wear the gold bars of an officer, there are several career paths to follow. One is to enter the Coast Guard Academy in New London, Connecticut. You'll earn a four-year, expense-paid Bachelor of Science degree. Or, if you're a college graduate, you can enter our Officers Candidate School at Yorktown, Virginia. Here you'll complete an intensive 17-week leadership training school. Either path leads to a commission as an Ensign.

BENEFITS OF BELONGING

Regardless of the career option you choose in the Coast Guard, you'll get all the benefits . . . 30 days paid leave each year . . . free medical and dental service . . . reduced prices in any military exchange . . . the GI bill for tuition assistance, and much more. You could work in exciting places where the Coast Guard operates . . . from Japan to the Antarctic . . . Hawaii or in the continental United States. We have part-time Reserve positions and full-time career opportunities available now. Contact your local recruiter or call toll-free:

You're a nuclear-trained officer. It goes beyond special. It's elite! And your status reflects a job that demands your best. Proving your skills at the heart of today's nuclear-powered Navy.

Over half of America's nuclear reactors are in the Navy. That adds up to more years of experience with reactors than any company in the world, and it means working with the most sophisticated training and equipment anywhere.

College graduates get Officer Candidate School leadership training, and a year of graduate-level training in the Navy Nuclear Power School.

The rewards are top-notch, too. Generous bonuses upon commissioning and also upon completion of nuclear training. Sign up while still in college and you could be earning $1,000 a month right now.

Be one of the most accomplished professionals in a challenging field. Lead the Adventure as an officer in the Nuclear Navy. Contact your Navy Officer Recruiter or call 1-800-327-NAVY.

NAVY OFFICER.

LEAD THE ADVENTURE.

SEMESTER IN SPAIN

Not just for Spanish majors only,but for everyone: beginners, "in between" students, and advanced. Put some excitement into your college career.

BEGINNER OR ADVANCED-Cost is about the same as a semester in a U.S. college: $4,250. Price includes jet round trip to Seville from New York, room, board, and tuition complete. Government grants and loans may be applied towards our programs.

Live with a Spanish family, attend classes four hours a day, four days a week, four months. Earn 16 hrs. of credit (equivalent to 4 semesters taught in U.S. colleges over a two year time span). Your Spanish studies will be enhanced by opportunities not available in a U.S. classroom. Standardized tests show our students' language skills superior to students completing two year programs in U.S. Advanced courses also.

Hurry, it takes a lot of time to make all arrangements.

SPRING SEMESTER-Feb. 1-June 1, **FALL SEMESTER**-Sept. 1-Dec. 22 each year.
FULLY ACCREDITED-*A Program of Trinity Christian College.*

EXTENDED DAY PROGRAM
Fall 1988

The Schedule which appears in the following pages is for the convenience of students taking courses in what we call our "extended day" — the late afternoon and evening hours. The majority of these courses begin at 6:00 p.m. (18:00 hours) and meet once a week for two and one half hours Monday through Thursday evenings; the rest meet twice a week for one hour and fifteen minutes.

In these pages we have listed all courses, undergraduate and graduate, according to the academic programs that offer them. We have also listed the undergraduate courses according to the days of the week on which they meet.

Programs Available In the Evening

Many of the University's more than sixty degree programs are represented by extended day courses. In some programs, students can complete all degree requirements through evening study alone — that is, by taking courses scheduled after 5:00 p.m. These programs are:

Undergraduate		**Graduate**	
Computer Science	Management	American Civilization	Human Services
Economics	Political Science	Bilingual/ESL Studies	Instructional Media
English	Psychology	Business Administration	Public Affairs
History	Sociology	Chemistry	Applied Sociology
		Computer Science	School Psychology
		Counselor Training	Special Education

GRADUATE ADMISSIONS AND RECORDS

GRADUATE STUDENT REGISTRATION INFORMATION

Advance Registration- May 2-6, 1988

All continuing graduate students are eligible to advance register. Matriculated graduate students pick up registration forms from the Graduate Program Director. After the form is completed and signed by the Program Director, it may be left with the Program Director or submitted to Graduate Admissions and Records.

Non-degree graduate students pick up registration forms in Graduate Admissions and Records and then register in the Program Director's office.

Continuing students who do not register during this period will be charged the $25.00 late registration fee.

Add/Drop Period- August 30-September 13, 1988

Registration for new matriculated and non-degree students begins on August 30. Continuing students who did not advance register or who wish to change their schedule should do so during this period. Registration forms will be available in the Graduate Program Director's office. Completed forms for continuing students and new matriculated students may be left with the Program Director or submitted to Graduate Admissions and Records.

New non-degree students should complete a Graduate Special Student Registration Form and submit the completed form to Graduate Admissions and Records with a check for the full amount of tuition and fees.

Important Reminders

-Be sure to retain the student copy of your registration form.

-If you owe money for a previous semester, you will not be allowed to register until your financial obligation is cleared. Registration forms submitted by students who owe money will not be processed.

-Continuing matriculated students who were not enrolled in courses during the Spring semester 1988 will not be allowed to register if the program fee was not paid.

-When you submit the registration form, you incur a financial obligation for those courses. Your financial obligation will be reduced if you reduce your course load by September 13, 1988 or if you withdraw from the University by the fifth week of the semester. The reduction schedule is published in the Graduate Studies Bulletin. Failure to attend class does not remove your financial obligation.

DIVISION OF CONTINUING EDUCATION

Evening Courses Off-Campus
Saturday Courses On-Campus

The University courses which appear on the following pages are offered during the evening at off-campus locations and on Saturday mornings at the Harbor Campus as well as the Downtown Center in Park Square. Most classes meet once a week for two and one-half hours. These courses are open to all UMass/Boston students and are applicable to bachelor's degree requirements. Students (including financial aid recipients) are free to combine day, evening on-campus, evening off-campus, and Saturday classes during any semester.

Registration

To register for an off-campus or Saturday course, you must fill out a continuing education registration form at the Office of the Division of Continuing Education (Wheatley 2/203). The office is open from 8:30 a.m. to 7:00 p.m., Monday through Thursday and from 8:30 a.m. to 4:30 p.m. on Friday. Continuing Education course fees are computed at the rate of $65 per credit and are separate from on-campus tuition charges. Students registering for off-campus or Saturday classes also pay $15 in registration and service fees but do not pay health, athletics, or activities fees. Full payment is required at the time of registration. The Division of Continuing Education accepts MasterCard and VISA for the payment of off-campus and Saturday course fees.

Academic Calendar

Please note that off-campus and Saturday classes begin later than day or evening classes on campus and follow a different academic calendar.

Registration deadline	September 6
Late registration ($25 late fee)	September 7-9
Classes begin	September 12 (week of)
Add/drop deadline	September 24
Holidays	October 10
	November 11
	November 23-27
Midsemester	October 24 (week of)
Pass/fail deadline	November 4
Withdrawal deadline	November 4
Classes end	December 5 (week of)
Final exams	December 12 (week of)

Additional Information

The Division of Continuing Education publishes its own bulletin which contains complete information on the off-campus and Saturday programs as well as other credit and non-credit programs. To obtain a copy and for more information, call, write, or visit the Continuing Education Office (Wheatley 2/203, 929-7900).

PARKING REGULATIONS

THE UNIVERSITY OF MASSACHUSETTS AT BOSTON

General — No person shall allow or permit any vehicle registered in his/her name or under his/her control to park or stand on any street or other area of the campus or other lands of the University in violation of these Rules and Regulations. No vehicle may be parked in any area of the campus not intended for such parking, the person in whose name a motor vehicle is registered will be held responsible for all parking violations.

On the Harbor Campus, parking is restricted to the parking garages and connecting parking lot. Payment for parking shall be made upon exit from the garage.

There are no University parking areas for the Park Square Campus.

Motor vehicles parked in these areas shall be kept only within the clearly designated parking spaces.

Motor vehicles with evidence of non-use, left in parking areas, streets or other University property for fourteen (14) days or more shall be towed away under the direction of the Director of Public Safety or any University Police Officer, and the owner of the vehicle so towed away shall be liable for the cost of such removal and storage and shall also be subject to the penalties provided in Chapter 90, Section 22B, of the General Laws of the Commonwealth. The owner will also be held responsible for the care and protection of, or damage to, any such motor vehicle and its contents.

Operation of Vehicles on Campus

Speed limit — A) All vehicles will be operated at all times at a speed that is reasonable and proper. B) At no time will a speed on any campus roadway in excess of twenty-five (25) miles per hour be considered reasonable and proper, except as otherwise posted or for vehicles engaged in emergency response. C) At no time shall a vehicle be operated within any campus parking area, or garage or area within which buses are engaged in loading or unloading passengers, at a speed in excess of five (5) miles per hour unless otherwise posted.

Disturbance — No vehicle may be operated so as to cause undue noise or disturbance.

Operating conditions of vehicles — Vehicles parked on any University property must be kept in such conditions of mechanical repair that they can be removed at any time under their own power.

Loading and discharging of passengers — Loading or discharging of passengers is permissible only when a vehicle is at a complete stop at the edge or curb of a travelled way or within a safety or service zone expressly approved for this purpose by appropriate signs and/or instructions.

Eligibility — Permission to operate a vehicle on the campus or other lands of the University is a discretionary privilege bestowed by the Board of Trustees of the University and such privilege may be denied, revoked, suspended or modified by the action of the Trustees or by the officers of the University herein authorized to take such actions under Chapter 15A, Section 13 or Chapter 75, Section 32A of the General Laws.

Any person may operate a vehicle on the campus, provided that person is otherwise eligible to operate vehicles upon the public highways of the Commonwealth. Said vehicles shall be operated and parked in appropriately designated parking places on campus. Vehicles may not be operated on campus unless all outstanding University parking fines and fees have been paid; parking privileges will be revoked, denied, suspended or modified for failure to pay current unpaid University parking fines and fees and such vehicles shall be towed away.

Liability coverage — No vehicle may be operated on the campus or other lands of the University unless the vehicle has met the Motor Vehicle Liability Policy or Bond requirements for the operation and use of motor vehicles upon the ways of the Commonwealth.

Non-resident students — A student's motor vehicle bearing other than Massachusetts registration plates must also be registered with the Massachusetts Registry of Motor Vehicles under the provisions of Chapter 90, Section 3 of the General Laws of the Commonwealth or will be subject to the described penalties. The necessary forms for registration will be available at the University's Department of Public Safety Office.

Limits of liability — The University shall not assume responsibility for any motor vehicle or parts thereof, or its contents while parked or being operated on University property. The registered owner assumes all risk of accident, and the University of Massachusetts shall not be liable for resulting injury to person or loss or damage to property.

Reporting of accidents — All accidents involving motor vehicles which occur on University property shall be immediately reported to the Department of Public Safety Office. This report is in addition to the notification to the Registry of Motor Vehicles of the Commonwealth as required by statute.

MCAT-GMAT LSAT-GRE

GAPS gives you the knowledge, confidence and the competitive edge you need to succeed on critical exams.

SCORE HIGH

Thousands of bright, otherwise eligible students are unfairly penalized every year for being underprepared, for not knowing critical test-taking skills or for freezing up during the actual exam, thus concealing their true "aptitude." You can overcome these problems if you know what kind of questions to expect, have learned proven test-taking strategies, and have practiced under simulated test conditions.

GAPS *puts the proven learning techniques from the classroom into a convenient, study-at-home format.*

NOTE: The number of cassettes and pages of text may vary slightly according to current exam content. Remember, these tests are changed frequently . . . and, unlike other courses, the GAPS program is constantly updated to change with them.

MCAT

Of the over 50,000 students who take the MCAT each year, only one out of three is admitted to medical school. Produced in accordance with American College Testing Program testing procedure, GAPS can give you the edge you need.

LSAT

Just a few points in your score could make the difference between going to a top law school . . . or to no law school at all. Produced in accordance with Law School Admission Services testing procedure, this course covers reading comprehension, disputes and rules, logical reasoning, analytical reasoning and writing samples.
210 pages, 10 cassettes **Price: $159**

GRE

The better the school, the higher the score you'll need to compete. Select a specific topic area, or purchase the complete GRE course. Each section is produced in accordance with Educational Testing Service testing procedure.

VERBAL ABILITY (covers vocabulary building, antonyms, sentence completions, analogies, and reading comprehension)
194 pages, 7 cassettes **Price: $55**

QUANTITATIVE AND ANALYTICAL ABILITY (covers analytical reasoning, problem solving, logical reasoning, data interpretation, quantitative comparison, geometry and algebra)

THE ARMY RESERVE'S GI BILL CAN MAKE YOU A PART-TIME SOLDIER AND A FULL-TIME STUDENT.

A part-time job in the Army Reserve is a smart way to work your way through college. Because the Army Reserve has its own GI Bill, and if you qualify, you can receive up to $5,040 for college, while you attend college.

But the GI Bill isn't the only valuable thing about being an Army Reservist. You'll also be paid for training in one of over 300 skills.

In addition, you'll earn at least $1,870 a year for serving two days a month (usually on weekends) at your local Army Reserve Center, and attending two weeks of annual training. And if you take out a student loan, you may qualify for a program that can help you repay it.

With the GI Bill to help with tuition, and your monthly Army Reserve salary to help with other expenses, you could earn over $16,000 for college in one enlistment.

If you'd like to know more about taking the Army Reserve's GI Bill to college with you, call toll-free 1-800-USA-ARMY.

BE ALL YOU CAN BE.
